

## Sanctuary Survey Concerns

The Board of Trustees have received concerns from congregants about the way statistics were presented regarding the sanctuary update survey. For clarification, we are reproducing the results here in abbreviated form with the most recent results (A few more results have come in since the Town Hall). In the chart below, we have separated out “With Undecided” and “Without Undecided.” Hopefully this chart will make the statistics more clear.

Question	Without Undecided	With Undecided
I am in favor of all components of the sanctuary renovation project	75%	80%
I will financially support the project	89%	91%
I think we should stage the project as funds become available	equivocal	equivocal
We should replace the pews with chairs	65%	70%
I think we should just repair what is needed and save money	51%	60%

Below is the motion the Board of Trustees will make at the March 24th Congregational Meeting. This motion is being proposed for a vote of the members of the UUCL congregation. The decision is yours, not the Board’s.

MOTION to approve the following four part action:

1. Approval of the sanctuary renovation project for the Unitarian Universalist Church of Lancaster as previously presented at town hall meetings. (The entire project)
2. Approval of a capital campaign of up to \$228,000 for the sanctuary renovation project
3. Approval to permit the church to borrow up to \$50,000 from the Walters Trust at 1% to allow donors to pay their capital pledge over three years. Repayment would be over three years.
4. Authorize the Board of Trustees to work with the Operations Committee to execute the vendor contracts and sanctuary renovation project.
